## **Announcing the Community Foundation of Grant County's New Matching Grant Program**

In this economy it is hard to find the money to donate and help organizations out. That's why the Community Foundation is creating a new and easier way to help donate more money at a smaller cost to you!

The Matching Grant Program will be accepting donations made between May 4, 2010 through December 31, 2010 or until the matching cap of \$25,000 has been donated.

Donations starting at a minimum of \$100 to \$4,000 who are made to new or existing endowments will be matched by the Community Foundation, at a 1 to 4 ratio per donor. (See table below for minimums and maximums.)
