The Spirit of Philanthropy Award was created to recognize the great contributions of philanthropy and those individuals or corporations active in the philanthropic community that enrich the world in which we live. The Grant County award provides an opportunity to reflect on the meaning of giving our time, talent, or treasure, and all that giving has made possible. The Community Foundation of Grant County will award three Spirit of Philanthropy Awards, one in each of the following categories: Youth, Individual, and Corporate. Nominees and nominators will be invited to the Foundation's upcoming Annual Meeting to be held on Tuesday, May 4, 2010 at Roseburg Event Center from 6 p.m. – 9 p.m. where the Spirit of Philanthropy Award recipients will be announced.

Do you know a Grant County resident that has influenced others, made a lasting financial contribution, inspired people, or had an impact on improving the quality of life in Grant County? You should nominate them for the Spirit of Philanthropy Award.

The qualifications for nominations are simple. Nominees must currently live in Grant County and must be nominated by someone willing to (a) fill out the entry form below, (b) write a one-page narrative about the nominee, and (c) have one recommendation letter written by someone else that supports the nominee as much as you do.
